HOW TO FILE YOUR HEALTH CARE ACCOUNT REIMBURSEMENT CLAIM

This form is to be used to **request reimbursement for health care expenses only**. To view a detailed list of eligible medical expenses, visit www.myshps.com. All health care expenses should first be filed under your employer's health care plan or any other coverage you may have. Generally, eligible expenses include: allowable expenses covered but not fully reimbursed by any benefit plans, such as co-payments; and allowable expenses NOT covered by any benefit plans, such as over-the-counter medicines.

Step 1: Fill out the form

• Please print in capital letters, with your letters centered in the boxes provided and fill in all ovals as shown:

A B C D 1 2 3 4

- Complete all sections of the claim form. Sign and date the bottom of the form.
- If your claims exceed the number of lines provided, please use page 3.

Step 2: Attach supporting documentation

• Copy your receipts or other supporting documentation onto a white, letter-sized sheet of paper. Place your receipts so they all face the same direction. And write your Social Security Number or employer ID at the top of the page.

Step 3: Submit your claim (Faxing is faster)

- By Fax: Send the claim and copied receipts as one multi-page fax. Do not include a fax cover sheet. If you provide your e-mail address, SHPS will e-mail you confirmation we received your claim.
- By Mail: Place the form and the supporting documentation into an envelope, apply the correct postage, and mail.
- Keep a copy of your completed claim form and receipts throughout the plan year.

Step 4: Receive your reimbursement (Direct Deposit is faster)

• By using Direct Deposit or Electronic Funds Transfer (EFT), you'll receive your reimbursement funds up to five days faster than by receiving a check. To sign up, log in to your account at www.myshps.com and select "Direct Deposit Sign-Up" from the left-side menu.

- Itemized receipt for over-the-counter medicines-must show the name of the product
- Explanation of Benefits (EOB) from your insurance company
- Documentation must show:

Please Do Not:

A qualifying relative is an eligible individual if (1) you provide more than half of the individual's support, and (2) the individual is not a qualifying child of you or any other taxpayer. Please note that any questions regarding the status of an individual as either a qualifying child or a qualifying relative must be discussed with a qualified tax advisor in conjunction with the provisions of your employer's plan.
